UNIVERSITY RELATIONS AND DEVELOPMENT

November 28, 2000

Pro Sports and Entertainment, Incorporated
1531 Chapala Street
Santa Barbara, California 93101

On behalf of the students, faculty and staff of California State University, Long Beach, President Robert Maxson and I thank you for your \$1,000 gift designated to the Friends of Japanese Garden. We are delighted that you chose the University as the beneficiary of your charitable contribution. Your partnership with the Earl Burns Miller Japanese Garden is valued and I am confident that your continued support will help promote the University community to even greater levels of excellence and recognition.

Peace, harmony and beauty are essential characteristics of a traditional Japanese garden. These attributes are certainly characteristic of the Earl Burns Miller Japanese Garden, and the students, faculty and surrounding community are appreciative of the fact that the garden provides a local setting to experience these important qualities.

Your most recent contribution makes you a partner in our efforts to preserve the beauty and majesty of the Earl Burns Miller Japanese Garden. Thank you again for your dedication to higher education and your investment in California State University, Long Beach.

Sincerely,

A handwritten signature in black ink, appearing to read "RMB", with a long horizontal flourish extending to the right.
