Dear Paul:

This letter is to express the interest of the Pacific-10 Conference in the Freedom Bowl being certified by the NCAA and for it to be conducted on December 29, 1999, in San Francisco.

If the game is certified, the Pac-10 would consider participating in it. Currently, we have no agreement to place our fifth team in a bowl at the conclusion of the 1999 season, and would be very interested in discussing an agreement with you as well as other Western bowls.

We believe the San Francisco Bay Area would be a fine site for a game. It is one of America's unique and most picturesque areas, and teams and fans would find much to see and do.

Good luck with your certification efforts. You have our support.

Sincerely,

A handwritten signature in cursive script, appearing to read "Tom".
